I Alfred L. Dennis Sr. being duly sworn, deposes and says:

To: Whom This May Concern,

I would like for the aboved persons to know that I have seen with my own eye the medical mistreatment of Mr. Daniel M. Woods. I've seen the sores on his right ~~arm~~ arms. Myself & several other inmates would help him walk to the Bathroom and to medication pickup which usally was always an argument because of his complaining to medical staff of his mistreatment. His skin had become a yellowish color and there were many times where he wasnt able to eat and He always Complained about Not receiving his proper medications. I feel as though He should have been placed in a medical Housing unit where he could be seen daily & treated properly. He complained constantly to medical staff but they did nothing.

I Swore under penalty and perjury that the Foregoing is True and correct. Executed on the 21 Day And July 2008. AT the Delaware Correctional Center.

Mr. Alfred L. Dennis Sr.

Grievance Appeal Due: 6/8/08  
 Grievance Appeal Received: 6/5/08

Inmate Claims: Doctor McDonald continued to order am and pm snacks of cereal and milk, also resource drinks, medical creams for the sores on my body. The medical dept staff construed to allow resource drinks to run out for months at a time. When my doctor orders were to receive a drink daily. Medical staff refused to fix my diet orders of me to receive cereal and milk, these medical staff know I was anemic and unable to eat the state trays. Being on Hepatitis C medication those snacks and drinks were accentual to my health and my treatment for chronic illness. Yet staff allowed meds to run out, "for months at a time," I still haven't received the doctors ordered cream for my sores after he's ordered it twice.

### REMEDY REQUEST

This medical staff needs to follow doctors orders, not allow medications to run out if your chronic care, or out right just deny medical treatments. To receive a 1000.00 dollars a day for the mistreatment and abuse I've suffered do to their mistreatment and abuse I've suffered do to their negligence. For cruel and unusual punishment.

### APPEAL REQUEST

Grievance Appeal Due: 6/8/08  
 Grievance Appeal Received: 6/5/08

Inmate Claims: This is an appeal do to non-medical staff (Lt. Klein) continued to change doctors prescription orders for a pacific diet treatments while I was under going Hepatitis C treatments. Me being anemic and unable to eat, am and pm cereal and milk snacks are very important along with the medical resource drinks. The doctor ordered me to have two a day. But nurse Quiny went to the Lt. Klein and those two change the doctors orders without his consent or approval. When I finally seen the doctor, "McDonald" he was very upset that they changed his orders and I had to go two months without any diet, snacks and drinks.

### REMEDY REQUEST

Nurses or Lt. Klein should have the authority to change and over ride doctor orders without that doctors consent. Especially chronic care Inmates, because we can only go through that pacific doctor. To receive 1000.00 a day for my mistreatment by medical. Cruel and unusual punishment.
